murder.

Timothy Newell Pfeiffer, Esq.,

New York City.

Dear Sir:-

In a previous report I advised you that Fred Sander had been interviewed and that he was not the driver of the bus running from East Millstone To New Brunswick on the night of the murder.

I have since taken up the matter with Mr. Bennett the owner of the bus and have learned that the man we want is Louis Burrough of East Millstone. He no longer works for Bennett but is engaged in the painting and paper hanging business.

I endeavored to see Burroughs but he was ~~any~~ was in Middlebush working on the afternoon I was out there and I was unable to locate him at that place. I expect to be out that way in a day or so and will see him at that time and advise.

Respectfully yours,

David Thompson.
